

## The Bicycle-B Rack

Huntco's Bicycle Rack is perfectly named, and it whimsically celebrates the popular and expanding mode of transportation. It's as sturdy as all of our racks and, with a choice of finishes, can be as colorful as its location permits.

Each unit is constructed of 1.50" ASTM A53 *schedule 40* steel pipe and .375" mild steel flat bar.

- The Bicycle-B is 42"(91.4 cm) high, 14"(35.6 cm) wide and 72"(182.9 cm) long
- Flange Mount
- Choice of four finishes:
  - Hot Dipped Galvanized
  - Powder Coating (weather resistant Polyester TGIC, 6-8 mils thick) in an unlimited range of colors.
  - ASTM A314 *schedule 40* TP304 Stainless Steel, #4 Satin Finish.
  - Thermoplastic Coating (10-12 mils thick) in red, black, green, blue, gray, white, yellow and brown.
