

Wenatchee Trash Receptacle with door

This receptacle provides an attractive solution to trash and litter in public places. It coordinates perfectly with all of the benches in Huntco's traditionally designed Northwest Series. The Wenatchee has a 4" flared top that tapers to a 23.5" diameter barrel that contains a removable 26 gallon, 32 gallon or 36 gallon capacity plastic liner.

- Constructed of flat iron bar steel and solid round bar steel.
- Available with 3 different tops.
- Convenient full-length door that swings open for easy access to removable liner.
- Locking Options: 1. Latching or 2. Keyed Lock
- Choice of three finishes:
 - Powder Coating (weather resistant Polyester TGIC, (6-8 mils thick) in an unlimited range of colors.
 - Stainless Steel, #4 Satin Finish.
 - Thermoplastic Coating (10-12 mils thick) in red, black, green, blue, gray, white, yellow and brown.

All Wenatchee tops can be secured with aircraft security cable.
